## The Best Golf Cart Batteries: Lithium vs. Lead Acid | RELiON

12/11/2019 · The golf cart battery industry is realizing the benefits of lithium batteries to power all types of electric golf carts. When compared to lead-acid batteries they offer significant advantages including faster charge time and no maintenance. Plus, they last 10x longer than their lead-acid counterparts. Find out more reasons why lithium is the better choice for golf carts.

### **VW 6 to 12 Volt Conversion Kit, Beetle 1961 to 1966: VW ...**

We include a 55 amp alternator which is more efficient than a generator. To complete the installation of the alternator, our kit comes with a new stand & deflect plate, backing plates, strap, pulley with shims and a new fan belt. To complete the engine portion of the 6 to 12 volt conversion a new Bosch 12 volt coil replaces the 6 volt coil.
