Globalization and Religion | Encyclopedia.com

Appadurai, Arjun. *Modernity at Large: Cultural Dimensions of Globalization*. Minneapolis, 1996. A much cited and influential work that presents globalization from below and stresses the contested, pluralistic, and even chaotic character of globalization. It pays little attention to religion in any form. Bauman, Zygmunt.

Cultures, Values, and Identities: What Are the Issues ...

20/2/2020 · The cultural responses to globalization open opportunities for groups and individuals to deploy the notions and resources of heritage and memory in certifying identity. It is a way of coping with the uncertainties about the “us versus them” attitude that globalization frequently brings with it (Appadurai 2006, 6).

The Frankfurt School and British Cultural Studies: The ...

Globalization by and large means the hegemony of transnational cultural industries, largely American. In Canada, for instance, about 95% of films in movie theaters are American; U.S. television dominates Canadian television; seven American firms control distribution of sound recordings in Canada; and 80% of the magazines on newsstands are non-Canadian ...
