## **Forget Your Sun Sign: Your Node Pairing ... - Astrology.com**

11/4/2019 · Our north and south nodes indicate our greatest life lessons: where we are headed, what we must learn, and lessons we've already mastered. The nodes work as a pair and always land in zodiac signs that oppose each other. (For example, if your north node is in Aquarius, your south node is in Leo.) The nodes are mathematical points calculated based on your birth ...

26/10/2021 · New Moon November 2021 Astrology. The new moon on November 4, at 12°40' Scorpio, is opposite Uranus. As the chart below shows, this challenging aspect is extremely powerful with an orb of just 0°07'. The other but less important aspect in the new moon horoscope is Mercury sextile Venus.

## **The North Nodes & South Node: Past Life Astrology**

In astrology, your life purpose is encoded in the north node and south node of the moon. The lunar nodes are directly opposite each other in the chart. They aren't planets, but rather mathematical points on the chart that fall in two opposite zodiac signs.

## **New Moon December 2021 Solar Eclipse – Astrology**

### **King**

24/11/2021 · The Sagittarius new moon on December 4 2021, is a total solar eclipse. A difficult aspect to Uranus suggests the spiritual meaning of the new moon December 2021 astrology is adjusting to change using open mindedness and flexibility. Saturn square Uranus is another important influence on solar eclipse December 2021.

## **The Science Of Light ? astrology.community**

What does Libra Sun combined with Cancer Moon mean? It means that Sun is in Libra while Moon is in the Cancer zodiac sign. Individuals who have this set of combinations in their natal birth charts inherit the traits arising from it. Besides this, there is an angle formed between Sun and Moon in their mentioned signs.

## **Planets in astrology - Wikipedia**

In Indian astrology, the Moon is called Chandra or Soma and represents the mind, queenship and mother. The north lunar node (called Rahu) and the south lunar node (called Ketu) are considered to be of particular importance and are given an equal place alongside the seven classical planets as part of the nine navagraha.
