**The Return of the
Soldier (Penguin**

Twentieth-Century ...

Return of the Soldier
was indeed a case
study of the effects of
the First World War
within two fronts,
home and on the
battlefield. Written in

1919, Rebecca West
tells a tale of the
ravages of war on the
Baldry family, Chris
and Kitty and their
one-year old son,
Cousin Jenny, and
Chris's old college

flame Margaret.

**Rebecca West's "The
Return of the
Soldier": Analyzing
the ...**

Rebecca West's 1918
novel The Return of

the Soldier dissects the socioeconomic and psychological tensions wrought by the upheaval of the First World War. In a nuanced reiteration of the typical trope of a

soldier's return,
Christopher Baldry is
dispatched from the
Western front when it
becomes apparent that
selective amnesia has
trapped his mind
fifteen years in the

past.

Rebecca West - Wikipedia

West's first novel, *The Return of the Soldier*, was turned into a major motion picture

in 1982, directed by Alan Bridges, starring Alan Bates, Glenda Jackson, and Julie Christie. More recently, an adaptation of *The Return of the Soldier* for the stage

by Kelly Younger
titled Once a Marine
took West's theme of
shell-shock-induced
amnesia and applied it
to a soldier returning
from the war in Iraq ...

**Amazon.com: The
Return of the Soldier
: Julie Christie ...**

West is known for a variety of other prose works (including critical studies of Henry James and D.H.

Lawrence) and, of course, for her liaison and subsequent ten year long (1913-23) partnership with H.G. Wells, following the latter's partial disclosure of his

libertine sexual views
in his work `Marriage',
1912.

Chandra West - Wikipedia

Early life and
education. West was

born in Edmonton,
Alberta, the youngest
of eight children. The
family moved to Oak
Bay, British
Columbia, where she
attended Monterey
Elementary for three

years. The family moved to Oakville, Ontario, where West spent the majority of her youth. When she was 17, West attended a summer acting camp located in Oxford,

England.

**Matoaka "Rebecca"
Rolfe (1595 - 1617) -
Genealogy**

14/8/2021 ·

Pocahontas's Christian
name, Rebecca, may

have been a symbolic gesture to Rebecca of the Book of Genesis who, as the mother of Jacob and Esau, was the mother of two "nations", or distinct peoples. Pocahontas,

as an American Indian
marrying an
Englishman, may have
been seen by herself
and by her
contemporaries as
being also, potentially,
the mother of two

nations.

**Rebecca by Daphne
du Maurier -
Goodreads**

‘rebecca’ is a
deliciously haunting
and romantically

gothic ghost story. but
this isnt just any ghost
story. its also a young
ladys journey of self-
actualization and
identity, all while
plagued by the
lingering presence of a

dead woman. its a
psychological thriller
and one that has
rightfully stood the
test of time. the
strength of this novel
is definitely in the
atmospheric writing.

the ...
