Electronic assessment - Wikipedia

Electronic assessment, also known as digital assessment, e-assessment,

online assessment or computer-based assessment, is the use of information technology in assessment such as

educational assessment, health
assessment, psychiatric assessment,
and psychological assessment. This

covers a wide range of activity
ranging from the use of a word
processor for assignments to on-

screen testing.

Next Generation Science Standards

The Next Generation Science
Standards (NGSS) are K–12 science

content standards. Standards set the expectations for what students should know and be able to do. The NGSS

were developed by states to improve science education for all students. A goal for developing the NGSS was to

create a set of research-based, up-to-date K–12 science standards.
